Quality Services*

TAM CANG JOINT STOCK COMPANY  
**INTRODUCTION**

## HISTORY, VISION & MISSION

Since its establishment in 2006, Tam Cang JSC has proven to be a reliable logistics service provider specializing in container transport and depot services.

### TAM CANG MILESTONES

### VISION

We want to become one of the leading logistics services providers in South East Asia specializing in container transport and depot services.

### MISSION

We continuously follow the market developments and focus on cost-efficiency, innovation, environmental and social responsibility to become a reliable, pro-active partner for our customers.

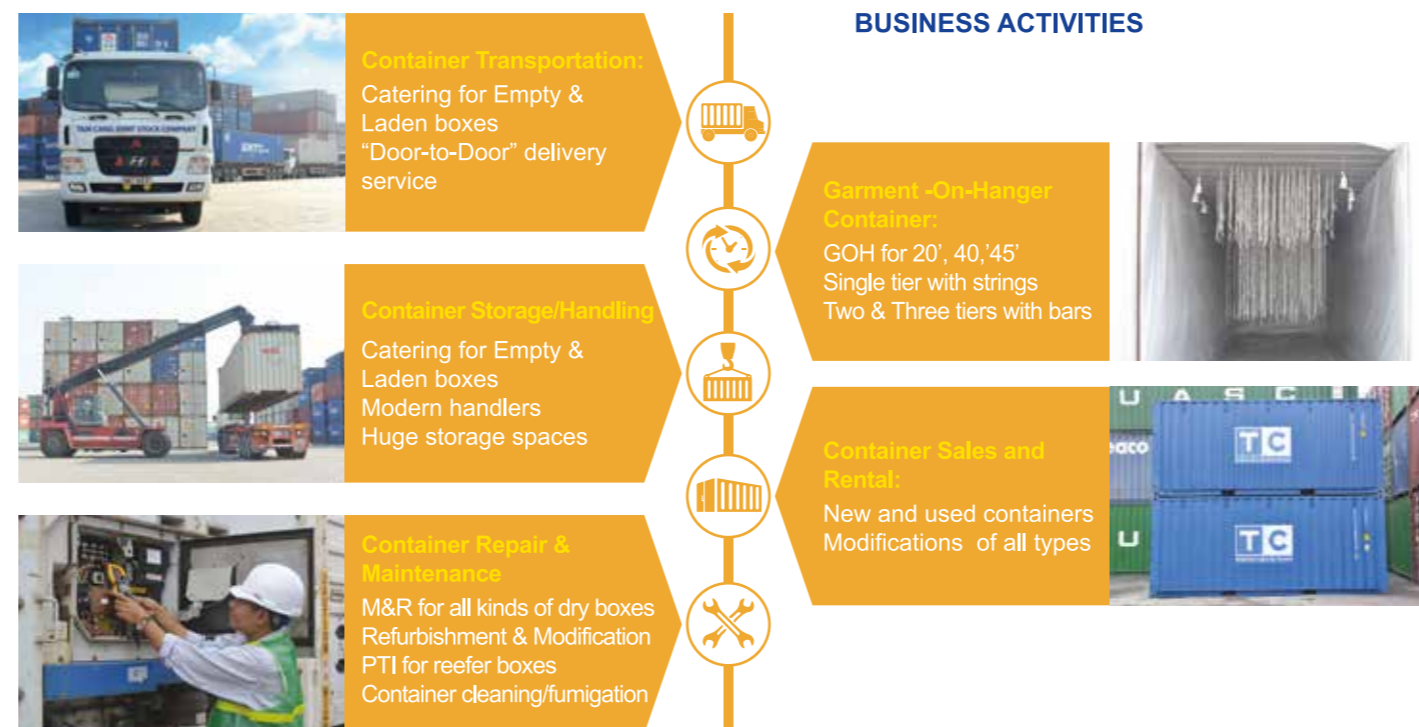

### COMPANY'S VALUES

The values within Tam Cang JSC which reflect our mission and vision and define our culture are:

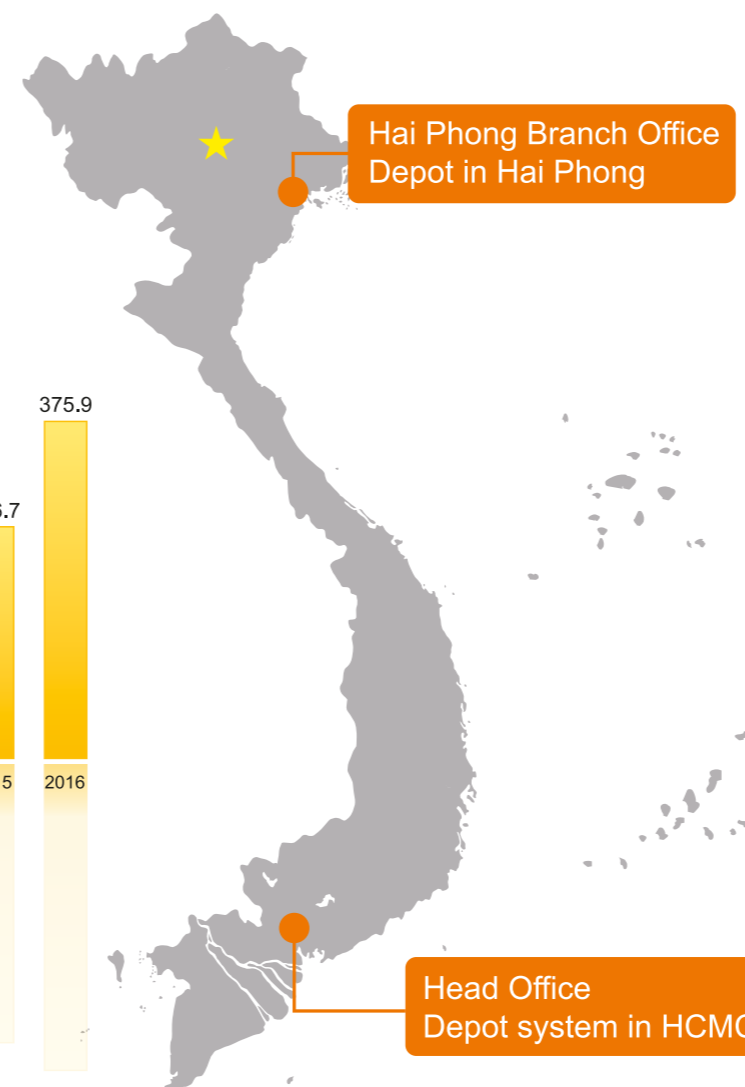

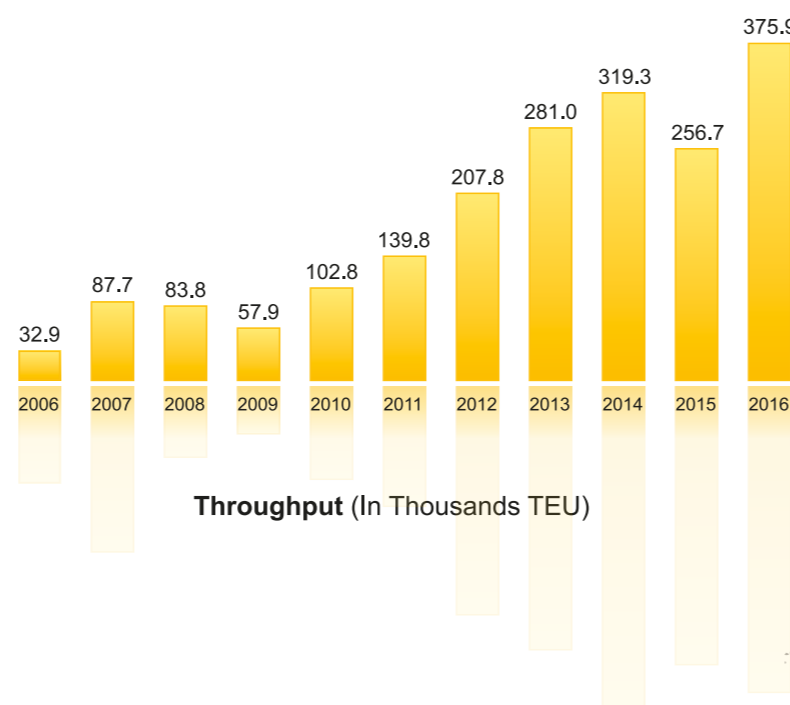

## BUSINESS ACTIVITIES & RESULTS

Tam Cang JSC provides a wide range of Transport & Depot services with dedication to high quality services and excellent performance

### BUSINESS RESULTS

Tam Cang JSC has experienced a steady growth in terms of Throughput of handled units.

## DEPOT SYSTEM & INFRASTRUCTURE

Tam Cang JSC operates a Depot System situated in strategic locations near the main ports in Haiphong and Ho Chi Minh cities

### OPERATION MANAGEMENT'S STRENGTHS

Modern container handlers are equipped with a Radio Frequency Management System enabling our personnel to accept, release and/or store units on a real-time basis.

Application of a state-of-the-art software namely Container Management System (CMS) combined with RFS system allows us a permanent overview of the depot stock and container location.

By using EDI with capabilities to integrate our depot management system with our customers' systems, we can deliver highly efficient information flows and all kinds of report for our customers.

A Team of highly skilled and experienced technicians and box-repairmen that are trained to handle all kinds of repairs including modifications to various types of containers.

Implementation of International standards: ISO 9001:2008 Quality Management; ISO 14001:2004 Environment Management; IICL6 standards.
